1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 Refer to the application for medical conditions that would qualify you for the Level 2 rate.

4 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

5 Level 1 Rates apply to individuals whose plan effective date will be ten or more years following their 65th birthday (or Medicare Part B effective date, if later). Level 1 Rates are for individuals whose acceptance is guaranteed or who do not have any of the medical conditions on the application that would qualify them for the Level 2 rate.

6 Level 2 Rates apply to individuals whose acceptance is not guaranteed and who have one or more of the medical conditions on the application that qualifies them for this Level 2 rate.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 Refer to the application for medical conditions that would qualify you for the Level 2 rate.

4 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

5 Level 1 Rates apply to individuals whose plan effective date will be ten or more years following their 65th birthday (or Medicare Part B effective date, if later). Level 1 Rates are for individuals whose acceptance is guaranteed or who do not have any of the medical conditions on the application that would qualify them for the Level 2 rate.

6 Level 2 Rates apply to individuals whose acceptance is not guaranteed and who have one or more of the medical conditions on the application that qualifies them for this Level 2 rate.

1 Your age as of your plan effective date.

2 The **Enrollment Discount** applies if you are between the ages of 65 and 80 and your plan effective date is within ten years following your 65th birthday (or Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate.

The Level 2 rates do not apply to individuals who meet Medigap Open Enrollment or Guaranteed Issue.

The Enrollment Discount is applied to the current Standard Rate. The Standard Rates usually change each year. The discount you receive in your first year of coverage depends on your age on your plan effective date. The discount is 39% at ages 65 through 68. After age 68, the discount percentage reduces 3% each year on the anniversary date of your plan until it reaches 0% on the anniversary date of your plan on or after age 81.

3 Refer to the application for medical conditions that would qualify you for the Level 2 rate.

4 **IMPORTANT:** Plans C and F are available only to applicants eligible for Medicare prior to 1/1/2020.

5 Level 1 Rates apply to individuals whose plan effective date will be ten or more years following their 65th birthday (or Medicare Part B effective date, if later). Level 1 Rates are for individuals whose acceptance is guaranteed or who do not have any of the medical conditions on the application that would qualify them for the Level 2 rate.

6 Level 2 Rates apply to individuals whose acceptance is not guaranteed and who have one or more of the medical conditions on the application that qualifies them for this Level 2 rate.
