

# What's Coming for AEP 2025

## **Enhanced Provider Search**

A faster, smarter, and more intuitive way to help agents and customers find in-network providers.

## **C-SNP Plan Recommendations**

SunFire already flags when a client's medication could qualify them for a C-SNP. Next, we'll identify the likely condition, filter plans to match, and simplify the enrollment form with only the relevant questions.

## **Supplemental Plan Benefits**

AI-powered parsing of supplemental benefits highlights key details (like dollar amounts), helping agents quickly identify the best-suited plans.

## **Compare Current Plan to New**

Enables email-based comparison between the member's current plan and available options in the market.
