# Humana Market Product Guide 2026

Think of the Market Product Guide as a what's what and who's who as you build your strategy for selling Humana Medicare Advantage (MA) and prescription drug plans (PDPs) in the coming year. Here you'll find plan information, contact information for leaders who can help support you in your work, and maps of your markets in the District of Columbia and the 46 U.S. states Humana serves.

## Humana puts people first

At Humana, we are committed to the people we serve. That means plans that deliver on what matters most to your clients and prospects, plus tools that make it easier for you to sell plans and serve your community.

Our product guide offers a more simplified way to offer plans, too. Peek inside to find tools and questions that can guide your conversations, helping you uncover the top priority your clients have in a plan so you can help match them with the one that's right for them.

The Humana logo is displayed in a bold, green, sans-serif font. The word "Humana" is followed by a registered trademark symbol (®).
